Dear Supporter,

OG's (Our Generation) Against Violence, a 501 (c)(3) not-for-profit corporation founded by Clifford Ryan, provides essential violence interruption and related community building services in Syracuse and has been doing so since 2015.

Our City of Syracuse and all of Central New York are dealing with multiple viruses and epidemics! COVID-19 continues to affect each of us. So does needless violence. OG's Against Violence is working safely, but **we need your help**, so we can more effectively reduce the senseless violence in our community. Clifford Ryan continues to canvass neighborhoods, respond to crisis and violence, and provide a calming presence among chaos. In order for him to be more effective, he needs a van. With a van, he can get to various locations where violence may occur more rapidly. Will you help so Cliff can be more mobile doing his much-needed work?

Your financial gift at this time will allow OG's Against Violence to purchase or lease a van and to get the van on the road for Cliff to use. Simply go to the following link on GoFundMe Charity (<https://gf.me/u/yjzhn3>), or write a check payable to OGs Against Violence and send it to 133 Bradford Street, Syracuse, NY 13207.

You can also come out to any of our walks! To get up to date information about our walks, visit our Facebook page called "On the Ground with OGs" or our website www.ogsagainstviolence.org. And please stay in touch with us; if you know of a situation that may escalate to violence, please contact Cliff directly at (607)235-4489. Your continued support is appreciated!

Sincerely,

Clifford Ryan
